

Discover products, columns and much more in the new Aurodhea catalogue!

11/09/2024

The light of a new beauty shines like never before in the glossy pages of the **new Aurodhea Beauty Book!**

No, it's not just a simple catalogue, but a true magazine full of inspiration, tips and columns to enhance your beauty routine.

Whether you are looking for radiant skin, dreamy hair or remedies to always feel good about yourself, the new Aurodhea Beauty Book will become your go-to reference.

Here's why you will fall in love with it:

Complete product range

The Beauty Book includes all Aurodhea products currently available for sale or coming soon, clearly marked with a "Coming soon" label. This choice provides the opportunity to have an already complete catalogue, making it easier for you to stay updated on the latest brand news.

Multilingual

The catalogue features texts in multiple languages, for a borderless Aurodhea experience.

Here are the available codes:

- 1) CT10-DE/PT/ES/RO: which includes translations in German, Portuguese, Spanish and Romanian;
- 2) CT10-EN/IT/FR: which includes translations in English, Italian and French.

Beauty tips

Discover the properties of the raw materials used, learn more about the virtues of our products, get inspired by our beauty tips and learn how to combine Aurodhea cosmetics to revolutionise your beauty routine.
