

# Extrait de Parfum 143: discover the new fragrance of our LUXURY COLLECTION!

13/12/2024

In a village far, far away,  
in a magical place where snowy landscapes  
and twinkling lights ignite the holiday spirit,  
the **new Olfazeta fragrance** was born.

Its bottle is as pure as freshly fallen snow,  
and its notes are as joyful as the laughter of children unwrapping gifts.

Heliotrope opens the scent like the door of a cozy little cottage,  
enveloping you in warm, vanilla, talcum and balsamic tones.

Hints of **Vanilla** and Coconut evoke the sweet treats filling festive kitchens,  
while Palo Santo recalls the crackling fire that warms hearts and homes.

Finally, musk accords transport you to the fresh, vibrant aromas  
of the surrounding snow-dusted forest, enchanting and serene.
